I have been dancing for 19 years, and I am trained and highly skilled in most genres of dance. I have been performing on stage in front of live audiences for as long as I can remember. Four Years ago I studied Musical Theatre and became passionate about acting and singing. I have since become a triple threat and have performed in college shows at The Theatre On The Bay stage. I have all the knowledge and training to guide me through the industry as well as skills in: acting for camera, stage management, costumes, makeup and hair. My dream is this and I am always willing to work hard to achieve
